

Domoklic Inc.'s electrical division is looking for fellow and apprentice electricians to join its dynamic team. We work in the residential (service), industrial, commercial and disaster recovery (CCQ construction) areas.

This is a permanent full-time position at 40 hours per week, year-round, with possibilities of working overtime.

The salary is calculated according to the CCQ decrees.

The work hours are from approximately 6am to 3pm. However, we are looking for someone who can be flexible with their schedule: we have evening, night and weekends shifts (on rotation) for the emergency service team.

The main tasks are:

- Installation and commission of various electrical installations and networks in industrial, commercial and residential buildings
- Diagnosis and repair of electrical appliances when necessary
- Repair or replacement of defective components
- Wiring

We are looking for people with the following skills:

- Able to do physical work
- Autonomous
- Resourceful
- Great at teamwork
- Great at problem solving

In addition, the person will:

- Have a valid driver's license
- Have a valid CCQ qualification card
- Have a DEP in electricity
- Be bilingual (an asset)
- Have other qualification cards, e.g., elevator platform card, enclosed space, etc. (an asset)

Salary: \$18.56 to \$39.60 / hour (CCQ decree)
